Sir:

For the possible benefit of anyone subsequently evaluating the scope and/or validity of the patent to be issued in the above-identified application, it is requested that a copy of JP-A-2001-105084 be placed in the U.S. Patent and Trademark Office's file wrapper of the above-identified application per 37 C.F.R. § 1.97(i). A copy of JP-A-2001-105084 is enclosed, together with an English-language abstract and a computer-generated English translation, as well as a copy of an Official Action from the Japanese Patent Office citing this document.

The undersigned has not reviewed the teachings of the above-listed documents in detail and thus makes no representations concerning the relevancy or materiality of the above-listed document.

SUBMISSION OF ART
U.S. Appln. No. 10/500,105

Attorney Docket No. Q67939

Since applicant is simply requesting that these documents be placed in the PTO's file for this application, no response from the U.S. Patent and Trademark Office is believed to be necessary, nor are any fees believed to be due.

Respectfully submitted,
